SENATE.
Washington, D. C., May 28.—When
the Senate adjourns to-day it will be
to meet Monday, Saturday being De-
coration Day.

The bill for pensions to certain sol-
diers of the Mexican and other wars,
was placed on the calendar.

Eaton offered a joint resolution that
the President open negotiations with
France, Spain, Austria and Italy re-
specting the removal of the restric-
tions on the tobacco trade. Recom-
mended.

HOUSE.
Speaker Randall was in the chair.
It was agreed to adjourn over De-
coration Day.

The House went into Committee of
the Whole on the sundry civil bill.

Furnell moved to increase the ap-
propriation for public land surveys
from \$300,000 to \$400,000. The motion
was adopted by a vote of 79 to 75.

The House Committee on Private
Land Claims, by a vote of three to
two, three members declining to vote.

The committee decided to-day to re-
port adversely on the bill to deter-
mine the title of land known as Rancho
Ponche Grande, in California.

Washington, May 28.—The Senate
pensions committee voted to report,
with some debate, the amendment of
the House bill, granting pensions to
certain soldiers and sailors in the
Mexican war and in the Indian wars
with the Creeks and Seminoles. The
bill repeals the section of the revised
statutes which provides that no
money on account of pensions shall be
paid to any person or to a widow;
or heirs of any deceased person, who,
in any manner, voluntarily engaged
in the late rebellion against the
United States. The House committee
on appropriation voted to-day to
report to the House, and recom-
mended the non-concurrence in most
of the Senate amendments to the
legislative appropriation bill.

London, May 28.—The stocks of
sugar in the principal parts of the
kingdom are now only about 5,000
tons in excess the same periods last
year and the deliveries are increas-
ing.

In the House of commons, premier
Gladstone, in replying to the
Chaplain said that he did not re-
tract the epithet "infame," which he
applied to the Anglo-English conven-
tion in his elections here; but that it
was not necessary for him, whatever
his opinions, to repeat his epithets;
as the government was not free in re-
gard to the convention. Sir Chas.
Dilke in replying to Lavouchard, a
Liberal, said that the country had
entered into no secret except what
had already been revealed.

GONE INTO BANKRUPTCY.
Chattanooga, Tenn., May 28.—The
Vulcan Iron and nail works was to-
day thrown into Bankruptcy. Jas.
C. Warner, of Nashville, was appoint-
ed receiver. Liabilities, \$500,000, as-
sets available, about \$200,000. The
receiver is directed to continue opera-
tions as long as he does not em-
pire the assets or cause shrinkage in iron.

Baltimore May 28.—The Preak-
ness stakes, 1 1/2 miles, won by Gren-
ada; Odin was second. Time, 2:40.

DEAD INDIANS.
Special to the Gazette:
Chicago, May 28.—A dispatch,
dated Alamosa 25th, from Gen. Hatch
was received by Gen. Sheridan, who
arrived yesterday, confirms the news
of the battle with the hostiles at the
head of the Palomas river, in which
thirty-one to fifty-five hostiles were
killed. He reports that Maj. Morrow
has joined him with four companies.
He was arranging for a campaign,
and a dispatch from him reports more
fighting; but no particulars.

WANTS TO SURRENDER.
A Fort Buford, Montana, special
says that the Red skins now at Poplar
Creek Agency have sent word to
Gen. Hoxen, desiring to surrender,
and at three councils held with these
hostile Sioux, they say that they are
very hungry; but fear treachery and
dread being put in iron.

Sitting Bull has sent Gen. Hoxen a
special envoy; but Gen. Hoxen told
him that the terms of surrender were
the same as those heretofore expres-
sed.

NEVADA CONVENTION.
San Francisco, May 28.—The Demo-
cratic State Convention of Nevada
met at Winnemucca yesterday morning
and effected a permanent organiza-
tion; and in the evening session, no-
minated the following delegates to
Cincinnati: E. B. Stonehill, Watt
Canavan, J. C. Hagerman, A. C. Ellis,
E. R. Sadler, and Geo. T. Gorman.
Three prefer Tilden; two Thurman,
and one Field; but the Convention by
a vote of 53 to 38, declared Tilden
the preference. The following nomi-
nations were made: Geo. W. Cassa-
dy, Congress; C. H. Belknap, Supreme
Judge; and J. H. Knuts, W. E. F.
Deal, and J. C. McTurnan, were no-
minated for President of electors.
They then adjourned sine die.

Chicago, May 28.—The board of
trade directors will make a searching
investigation into the bogus reports,
as called on change, to the effect that
Jas. K. Keene had failed. Keene's
principal broker here has brought
charges against a commission firm,
alleging that they started the story.

DISASTROUS EXPLOSION.
New York, May 28.—Panama ad-
vices, of the 19th inst., state that on
the night of May the 1st, a tremen-
dous explosion is said to have occur-
red in Peru. A large torpedo of new
proportions and of extra power,
which was in process of completion
at the factory where those instru-
ments are made, exploded, shaking
every house in town. The factory
was blown to pieces, and every in-
mate was destroyed. Six houses near
by were leveled to the ground, and
the walls, roofs, wood work, furni-
ture, &c., were broken to pieces and
literally ruined. Half a dozen other
houses, which joined on these, shared
nearly the same fate; and were al-
most completely leveled to the ground.
Out of all the persons engaged in
making the torpedo, scarcely a vestige
was found. A portion of the bod-
ies which were impossible to identify
were found some distance from
the scene; in addition to which five
bodies have been recovered. The
cause of the explosion is unknown.

HUNG.
Hartford, Conn., May 28.—Henry
Hamling was hung to-day for shoot-
ing the night watchman of the jail.
He died repentant showing no weak-
ness on the scaffold. A defective
nurse made his death long and painful.
Hamling was not his real name.

HEAT.
New York, May 28.—Five deaths
and many cases of prostration from
heat occurred to-day. At three
o'clock thermometers in sheltered
spots marked 87.

Chicago, Ill., May 28.—An Inter-
Ocean's Washington special says
strong opposition to the confirmation
of Horace Maynard is manifested in
the Senate. Several Democrats who
have old scores to settle are leading
the opposition.

MORE SUPPRESSION.
St. Petersburg, May 28.—The
Bereg has been suspended for publish-
ing the sentences of condemned Nihil-
ists before they appeared in the official
Gazette.

Quebec, May 28.—The Legislature
opened to-day with the customary
ceremonies.

DRY GANGREEN.
New York, May 28.—The Herald's
special from Jewett City, Connecticut,
says that Miss Katie O. Day, a spark-
ling and vivacious young lady of this
place, and literally the belle of Jew-
ett City, and a favorite, was stricken
in one of her legs, five months ago,
with a disease which is pronounced
by local physicians to be dry gangreen.
The limb has gradually assumed a
saffron hue, and it is much swollen
and powerless. A daring needle
was run in the flesh without feeling
any affliction; but caused the young
lady to become nearly insane with
despair. Miss O'Day is the adopted
daughter of Jas. O'Day, of San Fran-
cisco, a wealthy resident of that place.
The disease has thus far baffled the
medical experts from far and near;
none of them ever seeing anything
like it before. On Monday it was de-
cided to amputate the limb; but the
patient is so prostrated that it was
feared that it would be a fatal act.
Surgeon Charleton, of Norwich,
assisted by several other doc-
tors will amputate the limb to-mor-
row, as amputation is supposed to be
the only hope of saving the young
lady's life; and in fact, she is not ex-
pected to survive with that method
of treatment.

BEECHER FOR GRANT.
New York, May 28.—Henry Ward
Beecher will deliver an address at
the Brooklyn Academy of Music on
June 14th concerning the political is-
sues of the day. His choice for Presi-
dent is Grant. In his letter accept-
ing the invitation to speak, he says:
There are other good men mentioned;
but Grant is above all living public
men and will best serve the nation
through the Republican party for the
next four years. But whoever is nomi-
nated at Chicago should receive the
unhesitating and ardent support of
every Republican voter.

SLICK.
Washington, D. C., May 28.—While
getting a check cashed at the Treas-
ury Department to-day the Clerk of
the Librarian of Congress laid aside
a bunch of land notes, and when he
reached the street he found that
some one had substituted a lot of
Treasury paper in similar form. De-
tectives are searching for the person
who made the substitution.

THE SCHEMERS ARRIVE.
Chicago, Ill., May 28.—There was
a considerable influx of delegates and
friends of the various candidates to-
day. Among the most notable arriv-
als were O. H. Booth, Judge Hunt, N.
Hedges, J. C. Donaldson, Col. Wood,
all of Ohio and for Sherman; Mar-
shall Jewell, Conn.; J. C. Finchback, I.
Fitzhugh La.; W. W. Phelps, N. J.;
F. M. Allen, San Francisco. The
special train bearing the New Hamp-
shire and Maine delegations will ar-
rive to-morrow morning. It is an-
nounced that a Grant mass meeting
will be held in the Exposition Hall
Monday. It is understood that John
Russell Young started for Galena last
night to visit Grant.

000.

lace's tannery and shoe factory burned
to-day. Loss, \$50,000; partially in-
sured. Four hundred hands are out

ening's telegram says that Princess
Louise will accompany Prince Leo-
pold to Chicago, passing through
Monday.

HANGED.
Hanover Court House, Va., May
28.—Chas. Bellinger, colored, was
hung to-day for the rape, on the first
of April, of a small white girl.

Little Rock, May 28.—Thos. Ed-
munds, was hanged to-day at Osceola,
for the murder of his reputed wife
and child a year ago. He was re-
markably courageous, and protested
his entire innocence to the last. No
doubt exists as to his guilt.

HANLON-TRICKETT.
London, May 28.—Col. Shaw, Uni-
ted States Consul at Manchester, tel-
egraphs that he will be here next week
to deposit £50 in behalf of Hanlon,
and complete the arrangement for the
match with Trickett.

PERUVIAN WAR.
New York, May 28.—The Chilian
papers assert that admiral River has
received instructions to await the
result of the impending combat near
Tacna, before commencing active
hostilities against Tacna. If the bat-
tle prove to be a Chilian victory,
the Admiral is to offer terms of peace
to the Peruvian Government, and
should the Chilians be defeated at
Tacna, or the Government refuse the
proffered truce, then he is ordered to lay
Calleo in ruins; leaving not one stone
upon the other. In the recent com-
bat two hundred shots were
fired into the city; but the damages
could be repaired for \$1,000. A
dozen people, or less, were wounded,
and one killed.

The Panama Star learns from offi-
cial sources, that a second Peruvian
force, numbering 7,000 men, have been
organized in Arequipa. Cuzco
Pruso had marched to Moquegua to
fall upon the rear of the enemy and
capture their artillery, and stores,
acting in combination with the allied
army, which is in Tacna. Tacampy
arrived in Tacna on the 17th of
April and assumed the direction of
the operations. The allied army is
in a magnificent condition.

The Panama Star and Herald
prints the following from Locumba
near Tacna. There is a report of a
severe fight between the Chilian
cavalry, under Col. Verguar, and a
division of the Peruvian cavalry and
infantry, under Col. Alberracin; the
latter appear to have been severely
handled. The infantry being, it is
said, were cut to pieces by a fierce
charge of the Chilians. The Peruvian
loss is placed at one hundred; while
many were made prisoners, and a
considerable amount of arms and
ammunition, and a number of cattle
and mules fell into the hands of the
victors. The Peruvians retreated to
Tacna, closely pressed, to within a
few miles of the city, by the enemy.

St. Petersburg, May 28.—A com-
mission has been appointed by the
Russian minister of public communi-
cations and finance, to investigate the
condition of the iron industry of Rus-
sia. And he has recommended that ag-
ricultural and other machines from

customs, shall hereafter pay duty.

—The Strawberry and Ice Cream
Festival given at the St. Nicholas
Hotel last evening under the auspi-
ces of the Baptist church, was a very
enjoyable affair for all present.
